EARNING THE #1  
NOD FROM  
BARRON'S, IS  
BETTER

We're not just financial *advisors*.  
We're your financial *advocates*.

- ▶ That's why we say we "Make more better." A true advocate is devoted to delivering a greater level of care for your financial well-being, a higher standard of personal service, and an unwavering commitment to look out for your interests – and your interests alone.
- ▶ This also reinforces our ground-breaking advocacy-first philosophy started by CEO and Chairman Richard Brown's mother, Judi, when she founded the firm 40 years ago.

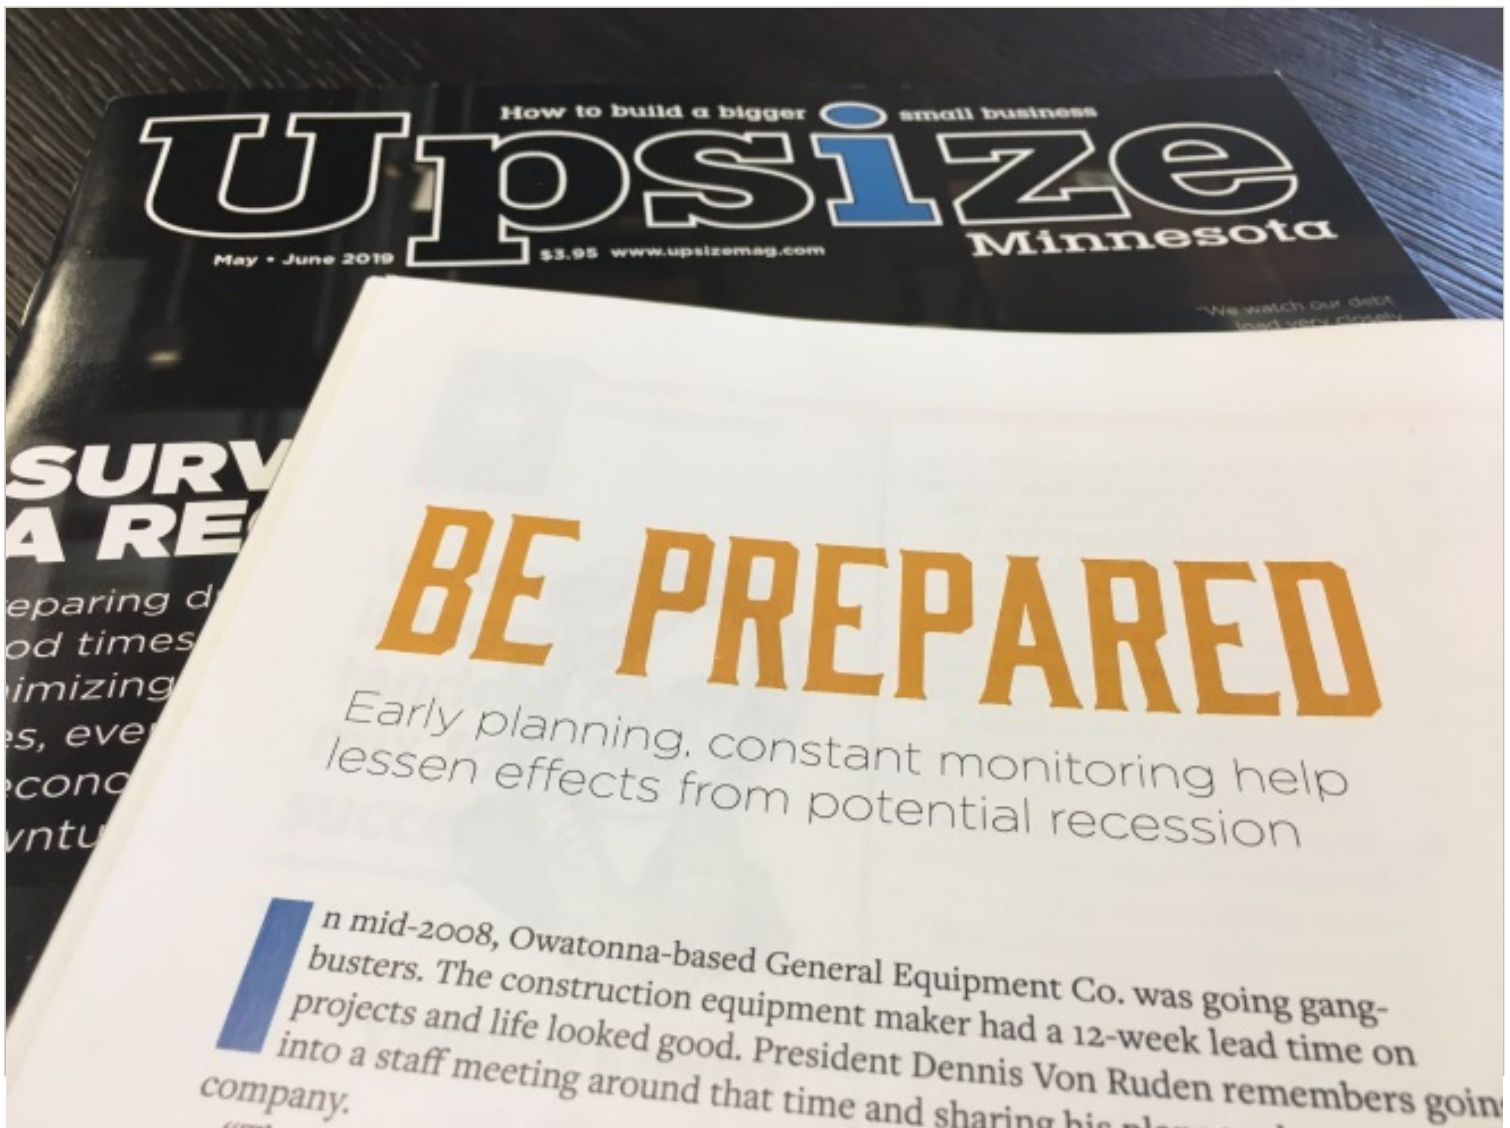

- ▶ We take a continuous, comprehensive, and coordinated approach to wealth management. Within a pioneering, no-conflict-of-interest fiduciary model.
- ▶ The results? A better understanding of your pain points, passions, principles and pursuits. A better alignment of the right team for you and your life goals. Better ongoing communication and collaboration with your other most trusted advisors. And a better feeling deep down inside.
