## WE PROVIDE SOLUTIONS, WE DON'T SELL PRODUCTS

At Fiduciary Advisors, Inc. we focus on two sides of the retirement picture. We provide ERISA consulting services to help employers develop a well-designed qualified retirement plan that can reduce the company's liability. We also work with individuals to increase their probability of retirement success through fee-only financial planning and investment strategy. Our expertise is fee-only financial planning for individuals and institutional-level investment management services for employers, endowments and foundations.
