GoldenTree is an employee owned, global asset management firm that specializes in opportunities across the credit universe in sectors such as high yield bonds, leveraged loans, distressed debt, structured products, emerging markets, private equity and credit-themed equities. GoldenTree was founded in 2000 and is one of the largest independent asset managers focused on credit. GoldenTree manages \$30 billion¹ for institutional investors including leading public and corporate pensions, endowments, foundations, insurance companies and sovereign wealth funds.

global presence

SOLID & DIVERSE

2005. GoldenTree's approach is designed to facilitate communication across our global investment team. Today, the firm's global footprint includes offices in New York, London, Singapore, Sydney and Dublin. In addition, GoldenTree is supported by a diverse capital base of institutional investors including leading public and corporate pensions, endowments, foundations, insurance companies and sovereign wealth funds.

breadth of. expertise

EXTENSIVE EXPERIENCE

We believe our governance structure is unique in that we offer our employees a path to partnership, which allows the firm to attract and maintain top-quality talent. Moreover, we believe GoldenTree has one of the most experienced teams of investment professionals in the industry, with approximately 50 investment professionals with average experience across the team of more than 17 years. Prior to joining GoldenTree, a number of members of our investment team were ranked as leaders in their peer group by Institutional Investor's All-American Research Team survey.

GoldenTree's collaborative approach extends across sectors, regions, and perspectives. We believe this approach is a driving force in the differentiated performance of our strategies.
