

Using Derivatives to Manage Risk in a Changing World

IPS Strategic Capital specializes in using options to define and manage risk, providing hedged investments that participate in the market's upside while protecting against the downside.

IPS investments are designed to benefit from asymmetric returns and protect against volatility in the market.

Welcome to IPS Strategic Capit...

IPS Strategic Capital is a Denver-based money management firm dedicated to protecting your wealth while generating consistent, non-volatile returns regardless of market conditions.

Our primary focus is helping you to reach your financial goals. At IPS, the values of integrity, prosperity and security are literally in our name.
