Financial freedom to
pursue greater meaning
and purpose

How do you define success?

For some, success means reaching true **financial confidence** and a level of income and assets that gives them the **freedom to live an ideal life**—however they define it.

For others, success means having the freedom to pursue greater meaning and purpose—to lead a life of significance by giving time, money, and passion to **create a better world**.

At TandemGrowth Financial Advisors, our team (/our-team) combines **holistic wealth management services** and **fee-only financial advice** (/how-we-help) to help individuals and families create the capacity to fulfill their own vision of success—whatever that may be.

Guided by our 10 fundamental investing principles (/pursuing-better-investment-experience), we work with each client to deliver individualized strategies designed to help make dreams come true.

That's how we define success.

Bring us your vision. Bring us your goals.

And start building a better tomorrow today.

Call us at **770-641-6360** to start the conversation or click to schedule a complimentary phone consultation.

Tackling the never-ending challenge of work-life balance (</blog/tackling-never-ending-challenge-work-life-balance>)

By Jeff Bernier

It's barely July and I've already had quite an adventurous summer! Ashley and I were no sooner back home from a trip to Italy when I left again for a not-to-be-missed two-day golf excursion with a few friends. Though it has certainly been a whirlwind, the past month makes me thankful for the work I've done to find my own version of work-life balance.

It's time to stop chasing the iron rabbit (/blog/it-s-time-stop-chasing-iron-rabbit)

By Jeff Bernier

My family lived in South Georgia when I was in high school, about 40 miles from Florida. Just over the state line, in Monticello, the Jefferson Kennel Racetrack held live greyhound races almost every night.
