Meet Your Team

Cornerstone was founded in 1991 by a team of professionals to provide an independent, turn-key solution to Christian non-profit organizations seeking to outsource their asset management and deferred gift administration. Our independence, objectivity and excellent customer service have allowed us to attract some of the most notable Christian ministries in the country. We believe this is a direct result of our passion for

stewardship and the alignment of our team values with those of the clients we serve.
