unique blend of experiences to find value for its investors in all market conditions.

Duet Group is incorporated in Hong Kong with offices in London and New York. The underlying companies operate globally with offices located in Antwerp, Bruges, New York, Delhi and Accra. The Group's multiple asset managers specialise in managing and advising on investments for either institutional investors such as Pension Funds, Investment Banks, Insurance Companies and Sovereign Wealth Funds or for retail investors such as high net worth and ultra-high net worth individuals.

Duet Group's asset managers are supported by Hill Street Limited. This fully dedicated service company provides a robust global infrastructure which has been developed to provide a scalable support system for all our investment teams. Prioritising the interests of the firm's investors is central to Duet's business philosophy; this can be demonstrated through the group's range of products and their established track records.
