Welcome to Garnet Group. We are a group of experienced, dedicated wealth advisors located in Bethesda, Maryland and Chicago, Illinois.

We are fee-only advisors. We have no financial relationships with any brokerage firms, mutual fund companies, or money managers; the only compensation we receive is from our clients. We offer objective advice based solely on the goals, needs and risk tolerance of our clients.

As fiduciaries of the public trust we are required by law to place our clients' interests ahead of our own and to disclose any conflicts of interest. We would never choose any other way.
