

For over 25 years, we and our partners have used our deep understanding and expertise of the Indian economy and stock markets to advise some of the most respected foreign investors.

Experience | Consistency | Credibility

INTRODUCTION

Founded in 1990 on a foundation of ethics, integrity and a disciplined investment research process, Quantum Advisors is an asset manager catering to institutional, high net worth and retail investors. As our history suggests, we firmly believe in the long-term potential of emerging markets. We also believe that patient capital deserves a patient process in the volatile emerging markets. Our high-conviction, low turnover, value-oriented strategies aim to provide clients with consistent and superior risk-adjusted returns over a long-term investment horizon.
