Independent Designs, Personal Relationships

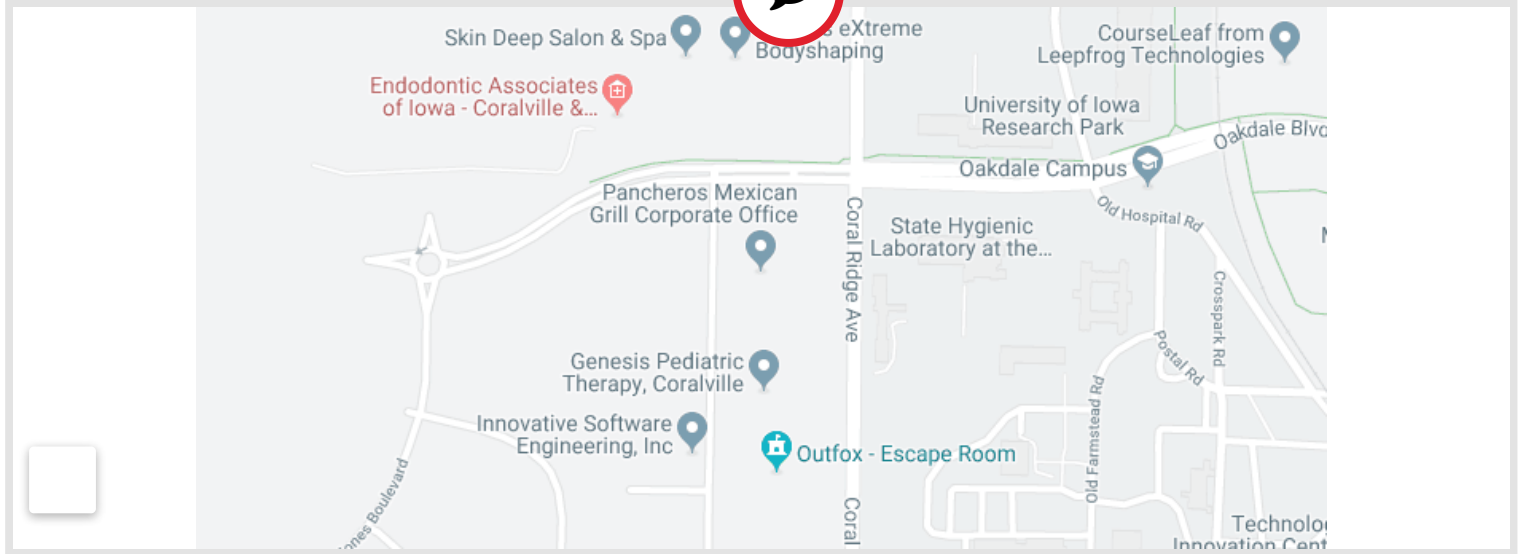

RDA is committed to total independence for you and everyone in our network. We strive to advise you with an eye toward maintaining that independence- always.

Our network of exceptional advisors offers comprehensive planning strategies tailored to your individual needs. We recognize the importance of the relationship between you and your advisor, and our network equips them with a tool chest full of creative ideas to develop a personalized solution *just for you*.

Our advisors have access to leading technology and support, allowing them the freedom and time to focus on you and your needs. At RDA Supervision and Compliance is used to protect you and your advisor- not stand in the way of creative thinking.

We thank you for trusting us with this important part of your life. We are all committed to enhancing the opportunities that present themselves to you down the road, because we believe the journey is the best part of life.

OUR PHILOSOPHY

The cornerstone of RDA Financial Network is to foster enduring relationships. We understand that one person cannot always answer every question but a network of independent financial professionals can provide innovative solutions together. This enhances the relationship between clients and advisors alike.
