

We are a private, Multi-Family Office whose mission is to protect your financial security. We help Families build and maintain a 'fortress' around their wealth.

Essex Asset Management is an independent, employee-owned multi-Family Office, Fiduciary and investment advisory. We pride ourselves on an exceptionally high level of service, discretion and responsiveness to our clients. We are committed to an exclusive group of families and manage their wealth with a unique blend of traditional Family Office Services, sophisticated financial technologies and long-term vision.
