

Welcome to ArrowMark Partners

ArrowMark Partners is an employee-owned asset management firm founded in 2007. Today, ArrowMark manages \$19.3 billion* in assets on behalf of a broad array of institutional clients and professional asset allocators across alternative credit and capacity constrained equity strategies, as well as through the management of broadly syndicated and middle-market CLO Funds. Our unique approach, based on the team's collective experience navigating market cycles, provides extensive insights across the capital structure and a skilled understanding of how to manage complex risk/reward tradeoffs through fundamental research.
