

HIGHLAND CAPITAL MANAGEMENT

About Highland Funds

Highland Funds is the retail arm of [Highland Capital Management, L.P.](#) (together with its affiliates, "Highland"), a multibillion-dollar global alternative investment manager founded in 1993 by [Jim Dondero](#) and [Mark Okada](#). A pioneer in the leveraged loan market, the firm has evolved over 25 years, building on its credit expertise and value-based approach to expand into other asset classes. Today, Highland operates a diverse investment platform, serving both institutional and retail investors worldwide. In addition to high yield credit, Highland's investment capabilities include public equities, real estate, private equity and special situations, structured credit, and sector- and region-specific verticals built around specialized teams. Highland is headquartered in Dallas, Texas and maintains [offices](#) in New York, Buenos Aires, Rio de Janeiro, Singapore, and Seoul.
