

AETHER

INVESTMENT PARTNERS, LLC

Aether Investment Partners

is a boutique investment management firm formed to offer private equity funds focused exclusively on real assets. Our primary sectors include oil and natural gas, metals and minerals and agriculture and timber.

FOR INVESTORS AND INVESTMENT ADVISORS

Aether strives to be the preferred partner for investors who seek assistance in the implementation of real assets allocations in their portfolios.

MORE →

FOR THOSE SEEKING INVESTMENT CAPITAL

Aether acts as an informed and responsive capital provider, able to consider a variety of investment structures.

MORE →

Aether embraces an entrepreneurial culture and employs a focused business model. We believe these elements of our business create close alignment with our clients, attract talented professionals and lead to attractive investment results. Our model is designed to foster long-term partnerships with clients, investment partners and other stakeholders operating across the broad spectrum of real assets.
