

ABOUT US

Garrison Investment Group is a middle market credit, distressed and asset based investor. The firm was founded in 2007 and is headquartered in New York. We are a multi-strategy investment manager that deploys capital in opportunities across **Corporate Finance** (lending and distressed), **Financial Assets** (commercial, industrial and consumer loans as well as hard asset lending and structured finance), and **Real Estate** (equity and debt). Our team of experienced professionals enables us to source and execute defensible transactions across our multiple investing disciplines.

Garrison manages investor capital through a diversified set of vehicles including private equity format funds and corporate credit lending funds as well as separately managed accounts. In addition, we manage collateralized loan obligations (CLOs) through our affiliate, Garrison Loan Management, and a business development company, **Garrison Capital Inc.**
