

# BUNKER HILL CAPITAL

We invest capital over an extended 5-10 year period to allow our owner-operators time to execute optimal growth strategies.

[Learn More](#)

## PHILOSOPHY

We invest long-term growth capital in a collaborative partnership with management and supplemented by our strategic partners.

[See how we add value](#)

## FOCUS

We focus exclusively in the lower middle market with companies that can benefit from our strategic, financial, and operational resources.

[Read about our expertise](#)

## APPROACH

We search broadly to find a select group of compelling platforms that fit one of our three investment models.
