

PARTNERSHIP. PROFESSIONALISM. TRUST.

As a private equity firm focused exclusively on investing in the lower middle-market, River Associates Investments has over 28 years of experience in closely partnering with management teams. Founded in Chattanooga in 1989, we have built a reputation for integrity and acumen among all of our constituencies: limited partners, investment referral sources, senior & mezzanine debt partners and portfolio company management teams. Our “Investments with Management” philosophy effectively captures the spirit of partnership that guides our actions in all aspects of business.
