

Welcome to Fenway Partners

Fenway Partners is a direct investor in U.S. – based mid-market businesses that typically range in size from \$100M to \$600M in enterprise value at the time of acquisition.

Fenway invests in businesses that it believes possess fundamental strengths that provide both stability and significant upside opportunity, but are performing at levels below their full potential. Fenway works in partnership with management to leverage its accumulated experience, industry-specific knowledge and network of value-added resources to help businesses enhance their performance and strive to achieve their full potential.
