INVESTOR LOGIN

Collaborative Investors, Industry Knowledge.

Founded in 1997, Seaport is a leading private equity firm in the lower middle market of its targeted industries.

What we do

Seaport Capital invests in private companies with EBITDA between \$3 million to \$15 million in the communications services, business and information services, and media

services, business and information services, and media

sectors. We are long-term oriented investors that focus on building lasting and leading companies.

[Learn more about our strategy](#)

Seaport pursues primarily control-oriented investments and seeks to partner with talented management teams to help grow businesses organically and through acquisitions.
