

Monomoy Capital Partners is a private equity firm with \$1.5 billion in committed capital. We make equity and debt investments in middle-market businesses that can benefit from operational and financial improvement in the manufacturing, distribution, and consumer sectors.

MONOMOY'S SWEET SPOT:

- Carve-outs and family owned businesses
- Manufacturing, distribution, consumer
- Equity and debt securities
- Substantial North American focus
- Enterprise values of up to \$600 million
