

Experienced Investors, Differentiated Resources

One Rock Capital Partners manages approximately \$1.4 billion in capital, with a focus on high-potential middle-market businesses.

[MEET OUR TEAM](#)

Our Approach

We enhance the value of middle-market businesses by bringing world-class operational, strategic, and financial resources to our portfolio companies. To do this, we actively employ the expertise of our Operating Partners and the global resources of Mitsubishi Corporation, our strategic partner.

[MORE ABOUT US](#)

industries, including chemicals and process industries, specialty manufacturing and healthcare products, and food manufacturing and distribution.
