

ODYSSEY INVESTMENT PARTNERS

is a leading middle-market private equity firm with a 20+ year history of partnering with management teams, investing in North American companies, and delivering top-quartile returns to our investors.

With offices in New York and Los Angeles, we have raised over \$5.0 billion of private equity capital since inception and have invested in 50 platform companies, into which over 160 add-on acquisitions have been made. We are currently investing out of our \$2.0 billion fifth fund.
