What We Do

In November 2016, ONCAP raised ONCAP IV, a US\$1.1 billion fund. In partnership with operating company management teams, ONCAP invests in and builds value in North American headquartered medium-sized businesses that are market leaders and possess meaningful growth potential.

Why We Are Different

ONCAP's philosophy is predicated on partnering with great management teams, applying appropriate capital structures and working to create shareholder value at each operating company over the long term. ONCAP typically makes fewer investments than most other private equity firms and leverages the resources and experience of the ONCAP team and Onex Corporation to make every investment successful.

How We Have Performed

Since our inception in 2000, ONCAP has completed 27 investments and has generated a 4.2x gross multiple of capital invested and a gross compound annual internal rate of return ("IRR") of 41.7% on its 14 realized or public traded investments. ONCAP has never suffered a capital impairment on any realized investment.
