Quantum Econometrics, LLC is an investment advisory firm specializing in portfolio design for individuals, pension plans, endowments and corporate benefit plans. Our relationships use a fiduciary standard. A fiduciary is someone managing the assets of another person or entity and stands in a special relationship of trust, confidence, and legal responsibility. We always act in the best interests of our individual and institutional clientele. We take our role very seriously, as evidenced by the Accredited Investment Fiduciary® designation earned by our Investment Advisors, our Code of Conduct, and our commitment to a prudent, higher standard.

We invite you to utilize our website and we hope it will provide you with information on our investment approach and philosophy, our services and our professional abilities.
