

# Growth Equity for Software and Services

Results Driven.  
Relationship Focused.

## OUR ROOTS

# Investing in Software and Services Companies since 1999

Frontier is a trusted Partner with a focus on building value and accelerating growth. We've built an excellent track record delivering returns to both our investors and management partners.

[OUR STORY](#)

**Focused Partners**  
*in* **Success**

When you partner with Frontier you work with a results-oriented team, combining a relationship-based investment approach with in-depth knowledge of the needs of growth stage software and services companies. We are committed to helping you reach your full potential.

**OUR TEAM**

# Building a Customized Roadmap for Growth

We share industry best practices and leverage unique value creation processes to help our management teams take advantage of new opportunities and avoid challenges that hinder many high-growth software and service companies.

## Software *and* Services – that’s all we do

We invest in companies that leverage technology, information assets, or a unique process to deliver a value added solution to enterprise customers. This focus provides Frontier with a deeper understanding of both the challenges and opportunities unique to growing and building value in the business services sector.
