About Us

TradeLink Holdings LLC (“TradeLink”) is a diversified alternative investment and proprietary trading firm founded in 1979 by Weissman. The firm is engaged in securities, futures, options and commodities trading. TradeLink’s focus is the design and implementation of quantitative models that draw on the firm’s considerable expertise in trading, research, and technology. TradeLink Capital LLC manages a range of strategies that include managed futures and equities, spanning multiple time frames concepts. TradeLink employs approximately 150 people, with offices in Chicago and London.

TradeLink Holdings LLC and its principals operate a number of affiliated investment firms, including TradeLink L.L.C., TradeLink Worldwide Ltd., TradeLink Securities LLC and TradeLink Capital LLC.
