

VENTURE CAPITAL

# BRIDGING OPPORTUNITY & INVESTMENT

SEE OUR IMPACT

***We believe that, by providing much needed capital and **building bridges** between venture capital firms, young innovation companies, and established businesses, we can achieve both strong investment returns and economic growth.***

---

**R** ***enaissance Venture Capital*** was formed with the philosophy that venture capital is important for economic growth and that many major regions are under

served in the amount of venture capital available to fund exciting new ideas and technologies.
