

# TRP Capital Partners

Strategic Capital for the Transportation Industry

## TRP Capital Partners

TRP Capital Partners ("TRP") seeks to make growth oriented investments in the transportation sector. TRP capitalizes on its strategic relationships, commercial synergies, and the transportation expertise of its partners and affiliates.

TRP's philosophy is to support existing management teams while giving them autonomy to run the business. TRP's principals have 100+ years of transportation-related investment experience.
