Not Your Typical New Jersey Financial Advisor

At JFL Total Wealth Management, we specialize in helping our clients manage and create true wealth. While it is very rare and difficult to become wealthy in the stock market, that remains the primary service offered by the majority of financial advisors.

We're not your typical financial planning firm. Located in Northern New Jersey and led by Jerry Lynch, CFP®, we take a comprehensive approach that aligns your investment and estate plans on a foundation of proactive tax-planning. It's not about paying less than you owe; it's about properly positioning the ownership of your assets and timing transactions so you never pay more than you should.

Experience the power of comprehensive planning.
