3rd Quarter 2018 Summary (<https://accesswm.com/insight/3rd-quarter-2018-summary/>)

October 11, 2018

U.S. stock indexes again hit record highs but sentiment and action below the surface may indicate a less bullish picture. The uptrend should continue, but risks have risen, and we believe the signal is for investors to have a neutral stance.

Choosing the Right Second-Home Market to Invest In (/insights/in-the-news/)

May 26, 2017

Amid a sea of geopolitical changes, the global second-home market has remained strong, experts say, with the most in-demand locations being those that offer a lifestyle benefit, like sun and sand, with personal security.
