

CenterGate Capital is a private equity firm focused on improving and growing lower middle market companies. In order to realize their potential, these companies need flexible capital, strategic guidance and strong management teams. We bring together a balance of transactional and operational experience along with a network of advisors and strategic relationships, which provide our portfolio companies with exceptional resources.

CenterGate Capital's goal is to realize shareholder value for our investors and all other stakeholders of our portfolio companies. Our holistic approach to value creation utilizes proven best practices to identify market opportunities, offer tailored investment structures and serve as active board members. We advise our portfolio companies on team building, strategic acquisitions, geographic expansion, operations improvement, KPI management and financial reporting.
