StepStone Advantage

Global Platform

Customized Approach

Integrated Team

Research Focused

Global Platform

Spread across 18 offices, our global team leverages their relationships with local managers to deliver actionable insights—connecting investors with private market opportunities around the world.

Global Offices »

Accept

We combine a clear strategic vision with tactical flexibility to connect investors with investment and advisory solutions that are tailored to help meet their return expectations, risk tolerance and liquidity needs.

Customized Solutions »

Integrated Team

By evaluating managers on a primary, secondary, or co-investment basis, our investment and operations teams share insights into how managers think and operate, as well as how they might perform. This rich dialogue exemplifies our “one team” approach.
