Proterra Investment Partners is an alternative investment manager focused on private equity investments in the natural resources sectors of agriculture, food, and metals and mining.

Our senior leadership team has worked together for nearly a decade, combining diverse investment skills and hands-on experience across multiple sectors and industries.

We offer investors proprietary strategies that seek to leverage the full strengths of our firm. Our fund's investments reflect fundamental perspectives on the macro- and micro-economic trends driving the markets where we invest. Through an emphasis on strong local relationships and expertise, we aspire to provide unique opportunities for our investors.

Our commitment to ethical conduct inspires our culture, our relationship with investors, our partnerships with our portfolio companies, and our dedication to building enduring and thriving businesses.
