

The World's First Dedicated ESG Fixed Income Manager

The World's First Dedicated Green
and Impact Bond Fund Management
Company

- AIM focuses solely on Fixed Income and Cash investments which generate positive environmental and social externalities.

- AIM's approach is a fusion of mainstream portfolio management and sustainability, without compromising either.
- Our approach is new in the market place, drawing upon the experience of a team of leading experts in investment and sustainability, providing positive solutions to global challenges.
