There's no better time than now to talk to Courier.

Since 1967, Courier Capital has been a Western New York provider of choice for customized investment management, retirement planning, and consulting services. Our clients include individuals, businesses, institutions, and foundations. We are dedicated to providing a broad independent and objective investment solution. Our clients' interests will always come first. These values align very well with our new partner, Financial Institutions, Inc. and will enhance our service to both respective client groups. Through the relationships with Five Star Bank, Five Star Investment Services, Five Star Affinity Insurance Agencies, and Scott Danahy Naylon, we are positioned to meet every need of every client.

Products & Services

[Retirement Planning \(/products-services/retirement-planning\)](/products-services/retirement-planning)

Offering a retirement plan is a significant undertaking for any employer, large or small. It demonstrates your sincere regard for your employees, your concern about their future.

[Custom Investment Management \(/products-services/custom-investment-management\)](/products-services/custom-investment-management)

Generally speaking, the only good portfolio is one that fits the needs of the investor. We believe any good result will directly manifest from a solid understanding of goals, objectives & risk tolerances.

[Top Strategies for Charitable Giving \(/node/1046\)](#)

by **stevegattuso** on **Mar 6, 2019**

We all have certain causes that we choose to support monetarily. In fact, in 2017, Americans gave more than \$410 billion to charities, breaking the \$400 billion mark for the first time in history.

But anytime that we give our money to an organization, it's important to do our due diligence, ensuring that the funds that we give will be used effectively.
