

Touchstone Capital is a fee-based financial advisory firm located in Sewickley, PA with locations across the Pittsburgh region.

At Touchstone, our number one goal is to understand our clients and their financial needs. Our full-service firm offers a wide range of services that address every aspect of our clients' financial life. Through our Discovery process, we get to know their goals and aspirations, cares and concerns. With this information at hand, we tailor make a financial plan to address their specific goals and risk tolerances. Side by side, we walk with our clients into the future that they have envisioned and we have collaboratively designed together.
