

"Active Investment. Passionate Partnerships"

Aldrich Capital Partners partners with entrepreneurs who want to scale their companies to be market-leaders. We invest equity capital in privately held growing companies and leverage our operating resources, advisory network, customer & partner relationships and industry know-how to help

businesses realize their true potential. We aim to be the entrepreneurs behind the entrepreneurs !

OUR

Investment Team

Mirza Baig

Partner

Mirza Baig is the founding Partner of ACP. As a serial entrepreneur and investor in healthcare and technology, he has been involved in scaling operations and growing sales to build large businesses that have enjoyed successful outcomes. As a co-founder of Imaging Advantage, Legal Advantage and Tech Fetch, he built these companies from zero revenues and sub-10 employees to well over \$100mm in revenues, and over five hundred employees globally.

Rahim Zia

Pa

Prior to co-founding ACP, Rahim Zia was a Managing Director at Morgan Stanley & Co. based in New York City. He helped launch the private equity investing practice. He has been responsible for equity investments in several companies, resulting in successful outcomes including Public Offerings, Secondary Sales, and Liquidations. [Read More..](#)

Target Industry Sectors of Software,
Healthcare-IT, FinTech and Tech-enabled
services

Growing, fundamentally sound and
economically viable business models

Possess proprietary solutions or software

REACH US

Entrepreneurs who want to leverage our
resource-base for their benefit

**We believe in providing
value aside from
capital**

Tangible operational support & resources – we are former entrepreneurs and executives, we know what matters to you	Access to Extensive network of customer and partner relationships	Industry- leading operating advisors that actively collaborate with our portfolio companies to develop one or more specific functional areas such as Sales, Marketing, Technology, Finance, Customer Support, etc.	Strategic Insight – not the consulting type – real- world experiences & pattern recognition drawn through working with 25+ growth- stage companies that results in practical advice
--	---	--	---

Don't just take our word for it,
see what other entrepreneurs
have to say about us...
