

Building Value through Structured Credit Investing

Hudson Cove Capital Management is a U.S. SEC registered alternative asset management firm focused on Asset Backed Securities, Mortgage Backed Securities and Asset Based Debt Investments.

Noted for our prudent approach, our principals have decades of proven experience investing in Asset Backed Securities (ABS), Mortgage Backed Securities (MBS) and Asset Based Loans (ABL). Leveraging on our extensive network of established relationships and skilled structuring capabilities, the firm sources and analyzes a broad range of distinct opportunities across categories and sectors to invest in well-collateralized debt instruments. We seek to achieve superior and stable risk-adjusted returns over multi-year periods by utilizing a relative value approach to investing where we understand the operators, their businesses and assets in detail.
