CONSTRUCTING SUCCESSFUL OUTCOMES

(<https://www.skyviewadv.com/investments/investment-process/>)

An overwhelming amount of information confronts investors today.

This forces many to waste time exploring unsustainable strategies resulting in unsatisfactory outcomes.

It's how you process, analyze, and interpret the vast amounts of complex information that ultimately drives achieving your goals.

SKYVIEW IS HERE TO HELP (<https://www.skyviewadv.com/about/the-skyview-edge/>)

Through our many years in the business, we've developed intensive research processes to separate the "wheat from the chaff" necessary to construct value-added, scalable solutions designed to achieve successful outcomes.

Navigating today's complex investment landscape demands capital markets, portfolio & risk management, and asset allocation expertise across traditional & alternative strategies.

SKYVIEW'S MANAGEMENT TEAM (<https://www.skyviewadv.com/team/>)

Our competitive edge is rooted in the deep experience of our world class, research-driven investment management team.

Senior partners **average over 30 years investment experience**,

Including former:

Goldman Sachs: Partner, Management Committee, Co-head Global Equity & Econ Research

Merrill Lynch: Director & Global Head of Securities & Economic Research Division

Riverview: Co-founding Partner, CEO & CIO, institutional alternative investment management

Daiwa Securities: Co-head, Global Equity Derivatives & Trading

Soros Fund Mgt: Senior Director - Manager Research and Risk Analysis

Dr. Harry Markowitz, Nobel Laureate: Economics and "Father of Modern Portfolio Theory"—serves on SkyView's Board of Advisers (working and consulting with team members since 1992).
