Investor Acumen through investment knowledge.

During the height of the financial crisis in January of 2009 we saw a need to provide investors and our community with a forum and educational opportunity called Coffee Club.

Since February of 2009 it has been in session ever Second Tuesday without fail. During October of 2018 we decided to re-brand it as Investment Insight. At 10am at our Manchester office (Victorian House across from the Rec. Center) and at 6pm at our McMinnville office (Halfway between downtown and the CO-OP on S Chancery

Street) we offer our Investment Insight. 

What is Investment Insight? We believe the best way to explain it, is to invite you to like our Facebook page & watch some of our past Investment Insight meetings.
