If You're Getting the Same Advice as Everyone Else, How Far Can You Go?

### Financial Planning

Every day we face challenges managing our finances. Stock market swings, fluctuating interest rates, taxes, debt and inflation – the effects can be unsettling. One thing is certain; the future will come, regardless of whether we are financially ready or not. We can help you.

## “Longevity Risk” in Retirement

(<http://abgwealth.com/longevity-risk-in-retirement/>)

Longevity means “long life” or “length of life.” Longevity risk is the risk that someone will outliv ...
