"Successful people are simply those with successful habits."
(Brian Tracy)

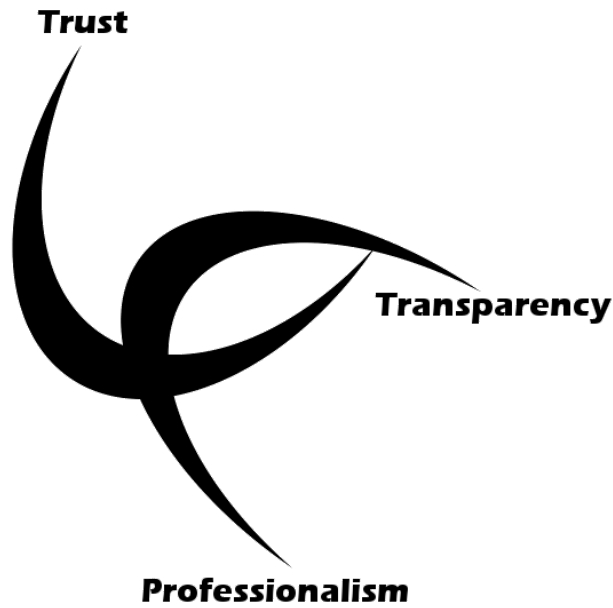

[TAKE A TOUR](#)

JUST ABSOLUTE RETURN

Carma Advisory is specialized in the development of quantitative trading systems. Our firm's conviction is that a mathematical approach to trading provides a distinct advantage over both discretionary trading and a traditional buy & hold approach. We have placed cookies on your computer to help make this website better. We use Google Analytics scripts, which set cookies. More details can be found in our cookie policy (cookiepolicy.html). WHY CARMA ADVISORY

Absolute Return

One of our principal goals is to deliver positive returns regardless of market conditions

Skin in the game

We have placed cookies on your computer to help make this website better. We use Google Analytics scripts, which set cookies. More details can be found in our cookie policy

([cookiepolicy.html](#)).

Multiple Markets

Diversification among trading methodologies, security types and geographical focus

Continuous Learning

Strategies are tested over multiple year backtests and in live trading and are adjusted over time to adapt to changing and constantly evolving market conditions
