

Disciplined Investors. Trusted  
Partners.

Flexible Capital for Middle  
Market Borrowers.

Willow Tree Credit Partners is a credit alternatives platform focused on providing flexible capital structure solutions and value add services to family-owned and financial sponsor-backed middle market businesses and creating alpha and income for investors seeking safe and attractive risk adjusted returns.

Our cycle-tested team is led by Timothy Lower and James Roche who bring decades of investment experience and business building expertise from legacy brands Ares and Blackstone.
