

A MODERN, TRANSPARENT APPROACH WITHIN THE SWISS TRADITION

# Customised service to grow and preserve wealth

Strategic Swiss Advisors SARL is an independent asset management firm based in Geneva – the birthplace of private banking. Our seasoned private banking professionals offer personalized asset management services – 100% tailored to our clients' needs.

We offer a contemporary approach to asset management – all the latest techniques within the stability of the Swiss banking tradition.

Our clients span the globe and their main goal is to truly diversify their portfolios beyond their home market. Switzerland has provided this role for centuries due to its conservative banking culture and focus on international trade. Geneva is the home of the World Trade Organization and the heart of global trade negotiations. We navigate this rich international banking culture for our clients. We find the best banks for their needs and select the best investments to help our clients reach their goals and preserve their wealth.
