The material on this website is intended for informational purposes only, does not constitute investment advice or analysis, or a recommendation, or an offer of solicitation, and is not the basis for any contract or other agreement to make any investment, or for CBRE Global Investors to enter into or arrange any type of transaction. Assets under management (AUM) refers to the fair market value of real asset-related investments with respect to which CBRE Global Investors provides, on a global basis, oversight, investment management services and other advice and which generally consist of investments in real assets; equity in funds and joint ventures; securities portfolios; operating companies and real asset-related loans. This AUM is intended principally to reflect the extent of CBRE Global Investors' presence in the global real asset market, and its calculation of AUM may differ from the calculations of other asset managers. **Past Performance:** Any performance data or comments expressed on this website are an indication of past performance. Past performance is not indicative of future results, and no representation is being made that any investment will or is likely to achieve profits or losses similar to those achieve in the past, or that significant losses will be avoided. **Forward-Looking Statements:** The contents of this website may contain forwardlooking statements that are based on management's beliefs, assumptions, current expectations, estimates, and projections about the real estate industry, the financial industry, the economy, CBRE itself or its investments. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to predict with regard to timing, extent, likelihood and degree of occurrence. Therefore, actual results and outcomes may materially differ from what may be expressed or forecasted in such forwardlooking statements. Furthermore, CBRE undertakes no obligation to update, amend or clarify forwardlooking statements, whether as a result of new information, future events or otherwise.
