Welcome To Three Peaks

Three Peaks Capital Management, LLC is a SEC-registered investment adviser located in Castle Rock, Colorado. With an investment team possessing years of experience and expertise spanning the broad spectrum of fixed-income securities, we focus on catering to institutions and high net worth individuals alike.

Three Peaks Platform

The Three Peaks Capital Management platform is designed to leverage our expertise in high-yield, fixed-income securities in order to provide clients with investment choices based on their desired risk profiles. The mandates we manage work off our fundamental belief in, understanding of, and passion for the high-yield asset category.
