July 8, 2019

After Friday’s strong employment report stocks fell as the likelihood of significant rate cuts later this year were diminished.

July 5, 2019

Stocks rose on Wednesday as rates remained weak.

June 24, 2019

Stocks continued to chug along and now the Dow is within shouting distance of setting a new all-time high just as the S&P 500 did last week.
