THE MANAGEMENT OF BRIDGE BUILDER MUTUAL FUNDS IS ROOTED IN
BRIDGE BUILDER'S INVESTMENT PHILOSOPHY

Our Investment Philosophy

Our Manager Selection Process

We strive to select diverse sub-advisers that have complementary investment styles, performance patterns and portfolio characteristics. We seek to invest in high-quality strategies that are proven with a track record of success. We select sub-advisers we expect to utilize for the long term.

While each sub-adviser brings specific expertise to the overall portfolio, we look for certain characteristics in every manager we consider:

Experienced, well-resourced team

Sensible, repeatable investment process

Portfolio characteristics that fit the team's investment philosophy

Demonstrated track record of success

Past performance does not guarantee future results.

Diversification does not assure a profit, nor does it protect against a loss in a declining market.

Mutual fund investing involves risk. The value of your investment in the Fund could go down as well as up.
