JUNE MARKET COMMENTARY

The 2019 equity market rally made a sharp reversal in May with the Dow Jones Index marking the longest weekly losing streak since 2011.

At Davenport & Company, we believe that wealth management is timeless. Opportunities arise, trends change, and technologies evolve — but the fundamentals of investment research and management remain. Our financial advice and personal service are the foundation of our success with individuals and institutions across generations.

Davenport is an independent, employee-owned firm, founded in Richmond, Virginia in 1863. For more than 155 years, we have experienced nearly every kind of financial market and we have learned the importance of balancing stability and innovation in a dynamic environment. We know that there is more to our business than delivering high-quality financial services; it is about building meaningful relationships.

Recognized for our leadership and industry contributions for several years, we are proud to be named a “Best Employer” in Virginia and North Carolina. We are committed to being an active participant in the communities in which we live and work. Davenport Shares, our employee-run philanthropic initiative, actively supports local organizations and dedicates company time and resources for volunteer activities.
