A note for the Smartvestors interested in our firm:

Benjamin Glover is one of the original long standing Local Providers (ELP), now called SmartVestor PRO, for the Dave Ramsey show. The original requirements included an extensive vetting and interview process, detailed statements of faith, core business practices and recommendations that aligned with Dave's philosophy. The potential ELP could have no pending or past legal issues or bankruptcies. I am excited about the new direction of the SmartVestor program. Give us a call to find out why we are one the original Local Providers for the Dave Ramsey Show.
